

Report for Octavius Augustus

2022-01-19

This is an Example of a dinamic report

The first name is: Octavius

The last name is: Augustus

This lets you print: *Just a text.*

The square root of **three** is 1.73205.

You can also pass on pre-formatted rmarkdown text, like we are doing here with this bullet point:

- This one is also itemized
