

# Report for Publius Hadrianus

2022-01-19

## **This is an Example of a dinamic report**

The first name is: Publius

The last name is: Hadrianus

This lets you print: *The final text.*

The square root of **nine** is 3.00000.

You can also pass on pre-formatted rmarkdown text, like we are doing here with this bullet point:
