Report for Marcus Aurelius

2022-01-19

This is an Example of a dinamic report

The first name is: Marcus
The last name is: Aurelius

This lets you print: *This is a text.*

The square root of **five** is 2.23607.

You can also pass on pre-formatted rmarkdown text, like we are doing here with this bullet point:

- This one is itemized
